FOR DETAILS

The City of Pleasant Hope web site was established in 2009.
 Below are charts of visits to the Pleasant Hope web site.

City government posts their meeting agendas and minutes each month along with any job openings. The site is a great way to keep up on issues that are being worked on by elected officials of the community.

- City Planning & Zoning Commission has a Comprehensive Plan on the web site and they also share their meeting agendas and minutes on the site.
- The City Water Department’s service application is available as a download on the site for new water customers.
- The newly added Pin Hook Gazette is a place for individuals to post their personal events such as graduations, promotions, engagements and wedding announcements.
- Active military personnel can get their picture in the Gazette along with their service information at no cost.

As a retailer your postings can go beyond the personal events and include sales events, new services announcements and weekly promotions; whatever your business needs to reach new customers.

Placing your ad on the city web site will provide you with an opportunity to reach new residences, existing residence and patrons beyond our city limits.

A business card style ad on each tab of the web site is only \$100 per year*. That’s only 27-cent per day and special retail sales announcements in the Pin Hook Gazette at no extra cost.

Visit www.cityofpleasanthope.com today. Call John 267-7111 or Lynn 267-2112 to get your ad on the only official site for the City of Pleasant Hope.

* No advertisements will be placed on the Veteran Memorial tab.
